**Major:** Environmental Science and Policy, Music

**Faculty:** Dr. John Supko, Dr. Maria Fantinato Geo De Siqueira

Advice: If you're interested in the music program just do it! I have experienced more community here than anywhere else on campus.

My favorite moments in Biddle were surviving off of the vending machine and struggling through music theory. That's where the friends are made!

After Duke I will be working at Sony Music in digital marketing in New York City.
