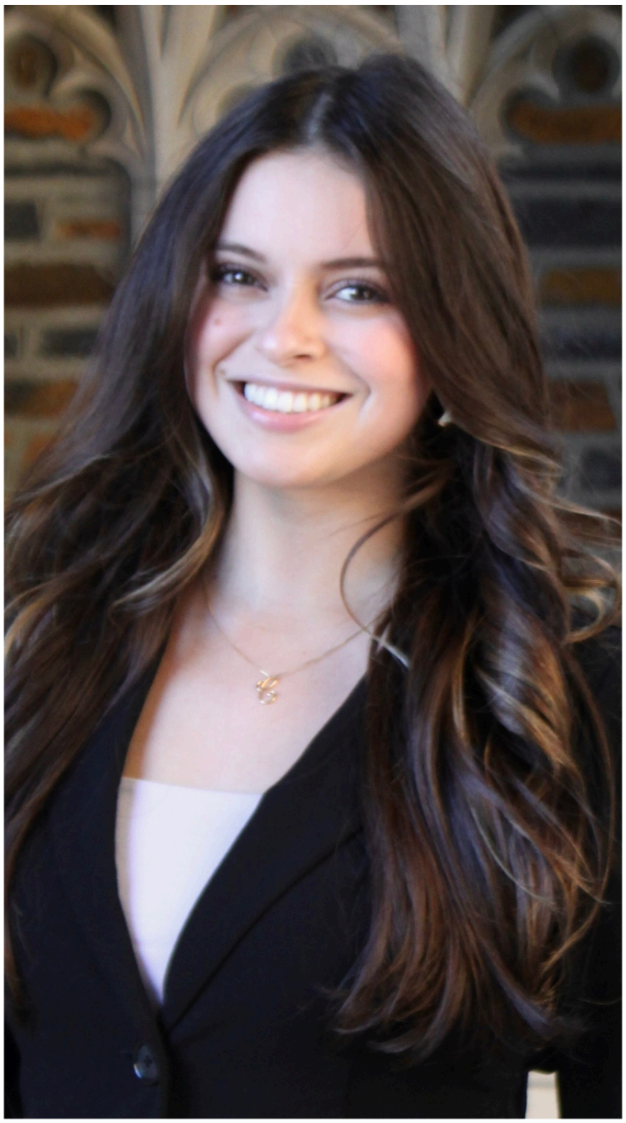
Duke
DEPARTMENT of MUSIC *Class of 2026*

CLAIRE HARDEK

Major: Economics
Minor: Music (Listening-Focused)

Duke Music Highlight

My four years at Biddle have been defined by musical growth through voice lessons and participation in an a cappella group, Out of the Blue, where I now serve as president. The time I spent rehearsing for both remain some of my most meaningful and memorable experiences; my college experience would not have been complete without them!



What's Next

I will be working as a consultant in New York City, and am excited to find a way to continue with my musical practice as well.

Music Mentors

- Elizabeth Linnartz

"Be unafraid to try or learn new things. I took a DJ class, with no background in it whatsoever. I learned so much not only about that field, but how to add more nuance to my main focus of Opera. Every new thing will only add to your depth as a performer!"
