DEPARTMENT of MUSIC Class of 2026

ERIN GOTLIEB

Major: Public Policy
Minors: Computer Science & Music (Score-Focused)

Duke Music Highlight

My main highlight over the past four years are my lessons with Prof. Bagg, which I looked forward to every week! I also enjoyed playing in the Faculty and Student Gala Concert this past fall, and performing in many string area recitals.

What's Next

I will be working in New York City after graduation!
