

Holly Kim

MAJOR: CHEMISTRY WITH A
CONCENTRATION IN BIOCHEMISTRY

MINOR: MUSIC

INSTRUMENT: CELLO

PRIMARY FACULTY: PROF. STINSON

BIDDLE HIGHLIGHTS:

MY ENTIRE CHAMBER EXPERIENCE HAS BEEN A HIGHLIGHT. I LOVE WORKING WITH OTHER STUDENTS AND DIFFERENT PROFESSORS AND GETTING TO KNOW THEM IN A SMALLER GROUP SETTING. SOMETIMES IT CAN BE DIFFICULT TO MEET OTHER MUSICIANS, AND CHAMBER PROVIDES A GREAT OPPORTUNITY TO BE MORE INVOLVED IN THE MUSIC DEPARTMENT.

ADVICE:

MY ADVICE WOULD BE TO TRY TO WORK AT THE MAJOR/MINOR A LITTLE BIT EVERY SEMESTER. IF YOU ARE EVEN CONSIDERING GETTING A MAJOR OR MINOR, GET STARTED EARLY! SOME CLASSES ARE NOT OFFERED EVERY SEMESTER, AND OTHER CLASSES MEET FOUR TIMES A WEEK. PACE YOURSELF AND JUST KEEP TRACK OF WHAT NEEDS TO BE DONE.

AFTER DUKE:

I WILL BE TAKING SOME GAP YEARS TO CONTINUE DOING RESEARCH, AND THEN I'LL BE GOING TO GRAD SCHOOL!

MY FAVORITE CLASS WAS MUSIC258 WITH PROFESSOR GILLIAM. HE LOVED TEACHING AND WHAT HE TAUGHT; I LOOKED FORWARD TO GOING TO CLASS TO HEAR WHAT HE HAD TO SAY.
