Duke
DEPARTMENT of
MUSIC *Class of 2026*

KAYLA CAO

Major: Biology (Concentration in Neurobiology)
Minor: Music (Score-Focused)
Certificate: Health Policy

Duke Music Highlight

My highlight has definitely been my involvement with Chamber Music. It has been so wonderful getting to work with different instruments, peers, and professors throughout my time in the program.

What's Next

Industry work in H4 biology.

Music Mentors

- Jeanette Fang
- David Heid
- Jonathan Bagg
- Hsiao-Mei Ku
- Caroline Stinson
- Ieva Jokubaviciute

"Pursuing music at Duke is especially unique in that you get to form close relationships with extremely caring faculty. I would definitely recommend taking advantage of this by pursuing a major or minor in Music!"
